SUMMARY

Amy Faith Ho, MD, MPH is a nationally recognized emergency physician, healthcare executive, and on-air medical expert whose work sits at the intersection of clinical medicine, health technology, and storytelling. Double board-certified in Emergency Medicine (ABEM) and Clinical Informatics (ABPM), she practices as an attending emergency physician in Dallas–Fort Worth while serving as Chief Systems & Informatics Officer of a national emergency medicine group. She has served as an on-air medical expert for CNN and NewsNation; her work has been featured by NPR, Newsweek, The Hill, Chicago Tribune, and KevinMD. She hosts the ACEP Nowcast and MedPage Today's Anamnesis storytelling podcast, and is the author of the children's book "Is Mommy a Doctor or Superhero?"

CLINICAL & EXECUTIVE EXPERIENCE

Integrative Emergency Services / Chief Systems & Informatics Officer
2021–Present | Dallas, TX
Executive lead for electronic health records, clinical data and analytics, revenue cycle technology, and healthcare AI strategy across a multi-hospital emergency medicine group.

John Peter Smith Hospital / Attending Physician
2017–Present | Fort Worth, TX
Level 1 Trauma / Stroke / Cardiac Center — 130,000 annual ED visits.
2021–2022, Chief of Clinical Informatics
2020–2021, Director of Clinical Informatics
2019–2020, Associate Medical Director
2017–2019, Assistant Medical Director
Committee member: Physician Informatics, ED Operations, Order Set, ED Quality, GMEC Resident Performance

John Peter Smith Emergency Medicine Residency / Faculty
2017–Present | Fort Worth, TX
ACGME-accredited program with 45 residents.
2019–2021, Core Faculty
2017–2019, 2022–Present, Clinical Faculty

Baylor University Medical Center / Attending Physician
2017–Present | Dallas, TX
Level 1 Trauma / Stroke / Cardiac Center — 110,000 annual ED visits.

HEALTHCARE CONSULTING

Apple / Apple Health Contractor
2022–2026 | Cupertino, CA

Entertainment Research Consultants / Medical Consultant, Network Television
2016–2022 | Los Angeles, CA
Script review for scripted network television.
Shows include: Rosewood (FOX), Lucifer (FOX), Zoo (CBS), Doomsday (ABC), Bones (FOX), The Blacklist: Redemption (NBC), In The Dark (CW), Dopesick (Hulu), The Right Stuff (Disney+), Law & Order (NBC)

Pinney Associates / Health Policy Advisor
2016–2019 | Bethesda, MD
Harm reduction policy.

ACADEMIC APPOINTMENTS

TCU–UNTHSC School of Medicine / Assistant Professor, Emergency Medicine
2019–Present | Fort Worth, TX

Texas A&M School of Medicine / Clinical Assistant Professor, Emergency Medicine
2018–Present | College Station, TX

EDUCATION, RESIDENCY & FELLOWSHIP

University of Alabama at Birmingham / M.P.H.
2018–2020 | Healthcare Organization and Policy | Birmingham, AL

Integrative Emergency Services / Administrative Fellowship
2017–2019 | Emergency Department Administration | Dallas–Fort Worth, TX

University of Chicago / Emergency Medicine Residency
2014–2017 | Chicago, IL
University of Chicago Medical Center

University of Texas Southwestern Medical Center / M.D.
2010–2014 | Dallas, TX

University of Texas at Austin / B.S. Honors Biology
2007–2010 | Austin, TX
Magna Cum Laude, Dean's Scholar

PROFESSIONAL DEVELOPMENT & TRAINING

John Peter Smith Hospital–Texas Christian University / Physician Leadership Program
2019 | Executive Physician Leadership Training | Fort Worth, TX

ACEP Emergency Department Directors Academy / Phase 1
2017 | Medical Director Training | Dallas, TX

Office of Congressman Raul Ruiz / Congressional Fellow
2016 | Health Policy | Washington, DC

TEDMED / Research Scholar
2016–2017 | Curating TEDMED Global | Palm Springs, CA

UCAN Aeromedical Transport / Flight Physician
2015–2017 | Helicopter Transport | Chicago, IL

AXA/FOX International Transport / Flight Physician
2015–2017 | International Repatriation | Toronto, Canada

Texas Health and Human Services Commission / Intern
2014 | Public Health | Austin, TX

MedStar Telluride Patient Safety Roundtable / Intern
2013 | Patient Safety Workshop | Washington, DC

Betty Ford Institute / Intern
2011 | Addiction Medicine | Rancho Mirage, CA

AFFILIATIONS

Medscape Advisory Board
2019–Present, Editorial Board Member

MedPage Today Editorial Board
2019–Present, Editorial Board Member

ACEP Now
2022–Present, Assistant Editor
2022–Present, ACEP Nowcast Podcast Host

American College of Emergency Physicians
2022–Present, Fellow (FACEP), Delegate and Committee Member
2014–2016, RFS Alternate Delegate to AMA, EMRA Committee
2013–Present, Active Member

Texas Medical Association
2022–2025, Council on Constitution and Bylaws
2018, House of Delegates Reference Committee on Socioeconomics
2011–2013, Chapter President
2010–Present, Active Member

Texas College of Emergency Physicians
2017–2018, Government Relations Committee
2013–Present, Active Member

Dallas County Medical Society
2018–Present, Legislative Affairs Committee
2018–Present, Socioeconomics and Healthcare Committee
2012–2014, Legislative Affairs Committee (student)

Academy for Women in Academic Emergency Medicine
2017, Wellness Committee Co-Chair

American Medical Women's Association
2020–Present, Active Member

AWARDS

2025: John Marx Quality Award — Integrative Emergency Services
2023: Outstanding Young Texas Ex Award — Texas Exes (University of Texas)
2023: 30 Healthcare IT Influencers Worth a Follow — HealthTech Magazine

2012: President's Volunteer Gold Service Award

CERTIFICATIONS & LICENSURE

Board Certifications
Emergency Medicine (ABEM) — American Board of Emergency Medicine
Clinical Informatics (ABPM) — American Board of Preventive Medicine

Licensure
Texas Medical License: R1222

Epic Certifications
Physician Builder Certification (157856706)
Power User Certification (153983193)
Physician Builder Notecraft Certification (179258935)
Cogito Certification (179352027)
Caboodle Data Model Certification (179352039)
Clarity Data Model Certification (131927251)
SQL I and II Certification

SKILLS

Languages
English — Native
Mandarin Chinese — Proficient (speaking)

Data & Analytics
SQL: MariaDB, MySQL, Microsoft SQL Server (T-SQL) · SAS · JMP Statistical Software

Electronic Medical Records
Epic · MedHost · Allscripts · Meditech · Paragon · Cerner

Productivity
Microsoft Office: Word, Excel, PowerPoint, Outlook

Appendix I — Lectures, Publications, and Posters

— CONFERENCE LECTURES & PANELS

D Magazine
2026: Invest in You: Health, Beauty, & Wealth Summit *(D Magazine Summit)*

Integrative Emergency Services
2026: Panel: Beyond the shift *(IES Quality Summit)*
2026: Panel: Practice changing articles *(IES Quality Summit)*

Texas Department of State Health Services
2024: How AI is the future of healthcare and how to harness it *(Healthcare Safety Conference)*

DFW Hospital Council Foundation IQSC Data Summit
2024: The present & future of clinical informatics: from bedside to screenside

American Epilepsy Society
2023: Violence in healthcare: Why is everyone so angry? *(American Epilepsy Society: Advances in the Management of Epilepsy)*

American College of Emergency Physicians
2022: Is there a doctor on board? Medical emergencies at 28,000 feet *(ACEP Scientific Assembly)*
2022: Harm Reduction: If you can't quit, at least be safer *(ACEP Scientific Assembly)*
2021: Is there a doctor on board? Medical emergencies at 28,000 feet *(ACEP Scientific Assembly)*
2021: Harm Reduction: If you can't quit, at least be safer *(ACEP Scientific Assembly)*
2020: Legal & Legit? Vices in the Young *(ACEP Scientific Assembly)*
2020: Toxicology On Shift *(ACEP Scientific Assembly)*
2020: Harm Reduction: If you can't quit, at least be safer *(ACEP Scientific Assembly)*
2020: The Magic of Magnesium *(ACEP Scientific Assembly)*
2019: How I make a difference with social media: ACEP Connect *(ACEP Scientific Assembly)*
2019: Coffee House Chats: Cultural competency issues in the workplace *(ACEP Scientific Assembly)*
2018: There's an App for That! Phone apps you should know about *(ACEP Scientific Assembly)*
2018: Fast Facts: Cardiology pearls at a regular, rapid rhythm *(ACEP Scientific Assembly)*
2018: Paranoid to paralyze — how to safely perform awake intubations *(ACEP Scientific Assembly)*
2017: If MacGyver was an Emergency Physician *(ACEP Scientific Assembly)*

HIMSS
2022: How to build a homegrown, physician-led analytics department *(AMDIS/HIMSS Physician Executive Symposium)*
2022: Narrative medicine: Combating burnout one story at a time *(HIMSS Global Health Conference)*
2022: Quantifying the unquantifiable: leveraging the power of data for patient satisfaction *(HIMSS Patient Experience Forum)*
2022: Precision Motivation: How to drive a multidisciplinary HIT team *(HIMSS Professional Development Seminar)*

American Academy of Emergency Medicine
2021: [Social] Media and Medicine *(Cal-AAEM Golden State Symposium)*
2019: If MacGyver was an Emergency Physician *(AAEM Scientific Assembly)*
2018: A Love Affair with Lidocaine *(AAEM Scientific Assembly)*
2016: What goes up must come down: Penis aspirations in the emergency department *(AAEM Scientific Assembly)*
2016: Panel: Global emergency medicine residents working conditions — overworked, underpaid *(AAEM Scientific Assembly)*
2016: Panel: Global emergency medicine student, resident, and trainee associations around the world *(AAEM Scientific Assembly)*

Texas Medical Association
2021: Harm Reduction — If you can't quit, at least be safer *(TexMed)*
2019: Tricks of the Trade: Clever techniques for procedures using commonly found ER resources *(TexMed)*

Texas Christian University–University of North Texas Health Science Center School of Medicine
2021: How racism affects Asian Americans and Pacific Islanders *(FWMD LIVE)*

Society for Academic Emergency Medicine
2019: Levels of Diversity and Inclusion *(SAEM Annual Meeting)*
2017: Eponymous EKGs: What are all those fancy names and how to remember them *(SAEM Annual Meeting)*
2017: AWAEM: Time management workshop *(SAEM Annual Meeting)*

Texas College of Emergency Physicians
2018: A Love Affair with Lidocaine *(TCEP Annual Conference)*
